Uniform Dress Code

We care about our students' image in the community, and we believe that their appearance is a visible communicator about our school. It should be remembered that the community (whether rightly or wrongly), judges a school by the public appearance and behaviour of its students. Therefore, if students are unable to comply with the stated uniform requirements and have a legitimate reason, parents should notify the school in writing.

Students are expected to wear full and correct uniform during the school day and when travelling to and from school. This includes visits to shopping centres or other places which students frequent out of school hours.

Uniform Shop

The Uniform Shop is situated on site. All compulsory uniforms must be purchased from the Uniform Shop. Good quality second hand uniforms are also available.

The Uniform Shop hours are available on Compass.

Uniform Breach Notice

A Uniform Breach Notice will be given to all students whose uniform does not meet the standards set out in this policy. It will be documented in our Compass School Manager System and parents will receive an email with details of the breach. The focus here is the quick resolution of the uniform breach, so the student is back in uniform as soon as possible.

Summer, Winter & Sports Uniforms

- Correct summer/winter and sports uniforms are to be worn on designated days.
The school will inform parents at the beginning of each Term as sports day can vary.
- It is inappropriate to wear a mix of uniforms.
eg sports jackets are not to be worn with summer uniform
- School jumper and approved school tights may be worn during winter months or if your child is cold.
- Sports uniform and sports tracksuit must only be worn on designated sports days.

General Information

- Hats are compulsory for all students and can be purchased from the Uniform Shop.
- All clothing must be clean, in good repair and well pressed.

Special Exemptions
